OUR GOALS:
SERVICE & INNOVATION

STATIONARY

TRAVYL is an independent company based in France (E.U). We have over 50 years of experience manufacturing flexible VINYL film via the calendering process and more recently we have introduced Agropolymer to our product range.

TRAVYL can offer a wide range of products which are specifically formulated for each market segments including packaging, stationary, industry, children care and graphic arts.

INDUSTRY

CHILDREN CARE

With our production versatility and excellent technical know how, we have the ability to offer solutions to all our customers needs, backed up by quick reliable service levels.

PACKAGING

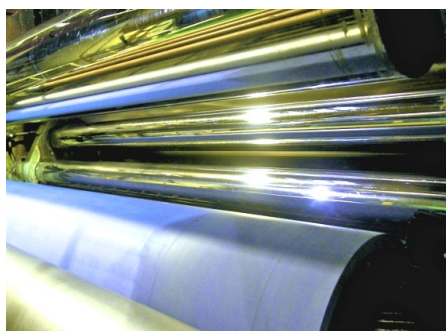

TRAVYL providing its partners, clients, suppliers and institutions, our laboratory and production facilities and our engineering team to develop new products, formulations, embossing, concepts...

Concerned about environment, TRAVYL® develops a scrap collection service. Also, we want to push the appreciation of the environment among all our stakeholders.

GRAPHIC ARTS

F I L M S
